Flower Power

Urban nature lovers (and those with a curious streak) will get a kick out of the slew of garden walks in the backyards of Chicago homes this month. For this year's 52nd Dearborn Garden Walk (July 18, noon-5 pm, 312-632-1241; \$30-\$35), more than 20 private Gold Coast gardens are on view, including some with Hollywood-inspired seating vignettes.
